Accomplishments

Photo Website

Light and Love Home volunteers launched a photo website to help others to understand the needs in different places. Through this we hope to raise public awareness and encourage participation in meaningful and fulfilling activities. (website: www.photosforhumanity.org)

King's Kids School

After onsite visits and interviews in November, Light and Love Home signed an agreement with King's Kid School in Andhra Pradesh, India to support their work and orphans who stay in their boarding school.

Pretoria, South Africa

Light Love Home, South Africa expanded services to help the poor in Mamelodi, Pretoria. We constructed a community centre in this squatter area. The interest classes, fellowship for children and women were all well received by the local community.

Blanket Donation

It was particularly cold this winter in South Africa. Having received blankets as donation, we distributed them to the poor in the squatter area. We also helped relieve victims affected by the burst of a major water pipe. We received appreciation from both the government and the local community.

Construction of Children's Home

Construction phase of the Children's Home in Nepal has officially begun. We would like to thank all the volunteers, friends and donors who support this project. The construction and moving in is expected to be completed in 18 months.

Light and Love Buffalo Ranch

We established a buffalo ranch in Andhra Pradesh, India, aiming to provide for the needs of the children's home and to generate income for future projects such as schools and nursing homes.

Faith Hope Love Children's Home

We established a partnership with Faith Hope Love Children's Home in Honduras. We extended our financial aid and spiritual support to the orphans by holding weekly fellowship and giving quarterly visits. We hope the orphans in this home were well fed and their spirit experience God's love.

Calendar Sale

Light and Love Home, Sydney was established in 2012, and immediately, they showed enthusiastic support to the worldwide charity services by producing a calendar for promotional and fundraising purposes. The whole process from preparation to printing, distribution and sales was very smooth. Moreover, sponsors for printing and shipping costs were found in just a few days! They felt it was God's blessing and encouragement to their first step.
